OBJECTIVE

A Third-year Computer Science and Engineering student, passionate about blending tech with innovation.

EDUCATION

B.E Computer Science and Engineering, Chaitanya Bharathi Institute of Technology **Expected 2026**

Relevant Coursework: Problem Solving and Programming in Python, OOP with Python, DSA, DLD, DIS.

CGPA **9.50**

Higher Secondary Education, Sri Chaitanya Junior College **2020 - 2022**

Score **98.1%**

10th Standard, Sri Chaitanya School **Year of Completion-2020**

Score **100%**

SKILLS

Languages	Python, C, Java(beginner),SQL(beginner)
Programming	Data Structures, DBMS(beginner)
Web Development	HTML, CSS, Bootstrap, MERN Stack(beginner)
Soft Skills	Problem Solving, Creativity, Critical Thinking, Team Player,Time Management,Communication

PROJECTS

- **Campus Event Management System** - A Campus Event Management System, currently with frontend development completed, streamlines event organization, RSVPs, and communication. It facilitates event creation, participant registration, and calendar scheduling, awaiting backend implementation for full functionality integration.
Technologies - HTML, CSS, Bootstrap,JavaScript,MERN Stack
- **Classic Hangman Game** - A word-guessing game where players attempt to uncover a hidden word by suggesting letters, with each incorrect guess leading to the gradual construction of a hangman figure.
([See it here](#))
Technologies - Python,JavaScript
- **My Portfolio** - A practical web application to showcase my projects, skills, and capabilities, ensuring user-friendly navigation and clear presentation.
([See it here](#))
Technologies - HTML, CSS

ACHIEVEMENTS

- I participated in CBIT Hactober Fest Hackathon 2023, organized by CBIT Open Source Club, and secured 2nd place.
- Secured rank of 2467 in TS EAMCET.
- I participated in the Google Cloud Study Jam 2023 and secured a position among the top 80 participants.

POSITION OF RESPONSIBILITY

- I was the organizer for the Technical paper presentation event conducted by Head Start at CBIT. It was an amazing experience for me, as I got to be a part of the event and manage all the online presentations and publicity.

- I actively contributed as a volunteer, ensuring the smooth coordination and successful execution of the "Hunt it Out" event conducted by Toastmasters CBIT, cultivating an enjoyable and interactive environment for all participants.
