OBJECTIVE

A Third-year Computer Science and Engineering student, passionate about blending tech with innovation.

EDUCATION

B.E Computer Science and Engineering, Chaitanya Bharathi Institute of Technology **Expected 2026**

Relevant Coursework: Problem Solving and Programming in Python, OOP with Python, DSA, DLD, DIS.

CGPA **9.50**

Higher Secondary Education, Sri Chaitanya Junior College **2020 - 2022**

Score **98.1%**

10th Standard, Sri Chaitanya School **Year of Completion-2020**

Score **100%**

SKILLS

Languages	Python,SQL(beginner)
Programming	Data Structures & Algorithms, Object Oriented programming, DBMS(beginner)
Web Development	HTML, CSS, JavaScript, Bootstrap, MERN Stack(beginner)
Soft Skills	Problem Solving, Creativity, Critical Thinking, Team Player,Time Management, Communication

PROJECTS

- **Portfolio Website** - Showcases my web development projects, skills, and experiences, highlighting expertise in creating responsive and dynamic web applications.
([See it here](#))
Technologies - HTML, CSS, JavaScript
- **Campus Event Management System** - Developed a complete frontend with login and signup forms and a robust backend for participant registration. Ready for deployment to streamline event management.
Technologies - HTML, CSS, Bootstrap,JavaScript,MERN Stack
- **Movie Recommendation System** - A Movie-Recommendation System suggests films to users based on their preferences and viewing history. It uses algorithms to analyze user data and recommend movies that align with their tastes.

Technologies - Machine Learning

ACHIEVEMENTS

- Secured rank of 2467 in TS EAMCET.
- I participated in CBIT Hactober Fest Hackathon 2023, organized by CBIT Open Source Club, and secured 2nd place.

POSITION OF RESPONSIBILITY

- I was the organizer for the Technical paper presentation event conducted by Head Start at CBIT. It was an amazing experience for me, as I got to be a part of the event and manage all the online presentations and publicity.
- I actively contributed as a volunteer, ensuring the smooth coordination and successful execution of the "Hunt it Out" event conducted by Toastmasters CBIT, cultivating an enjoyable and interactive environment for all participants.
